STONEHAM GOLF CLUB

Stoneham Golf Club nestles in a beautiful undulating heath and parkland setting to the north of Southampton. Hidden amongst the trees in a deer park, it provides a spectacular setting to play golf and provides fast true greens. Stoneham offers an excellent golfing challenge to golfers of all standards. The testing qualities of the course prove a memorable talking point to visiting golfers as they relax in the Clubhouse, as does its superb catering and friendly atmosphere.

Every Society Day at Stoneham Golf Club can be tailor made to suit your needs to make your day as successful as possible. We can offer a variety of golf and catering options; a refreshing coffee on arrival through to a full English breakfast, a light snack, buffet or full lunch can be offered during the day, finishing with supper or a full dinner as required. Our Caterer is available to assist with all your party's catering requirements.

Our Professional, Ian Young, and his staff are always on hand to help. The shop stocks a wide range of equipment and clothing, some of which would make ideal prizes for your Golf Day.

Our Manager, Richard Arnold, and Assistant Manager, Jayne Wilding, are also readily available to ensure that your day goes as smoothly as possible and will be pleased to help you with the planning of your day.
