

14 Team Double Elimination

2017 Match Play Rules and Deadlines

Format is fourball match play. This is a two person net betterball/versus the two opponents net betterball on each hole. All matches will use the most current handicap and players will play off of the lowest handicap in the foursome.

(e.g. Jim = 6, Tim = 8, Slim = 10, and Butch = 12. Jim would play as a 0, Tim a 2, Slim a 4 and Butch would play as a 6. Those strokes are taken where they fall on the scorecard)

Men will play white tees and ladies from the red tees.

Deadlines will be enforced in this manner. All matches should be completed in the two week round deadline. If a match has not been completed before the round deadline a tee time for the match must be in the system and completed within 5 days of deadline. If the match is then not completed within the "5 day grace period" a coin toss will be made by management to declare a winner.
