

LET PINON HILLS GOLF COURSE BE A HOLE-IN-ONE FOR YOUR BUSINESS!!

Since opening in 1989, Pinon Hills Golf Course has benefitted the community of Farmington and the surrounding areas. Each year, over 40,000 golfers use the course during tournaments, special events, and everyday play. In 2002, the course was hailed by Golf Digest as the top municipal golf course in the nation. In 2010, the tradition continues as Golfweek Magazine has rated Pinon Hills as the #4 golf course in the USA for the 3rd straight year! The golf course annually holds its own as one of the best in the country against some of the top new golf courses anywhere!

We are very proud of this recognition and are continuing to enhance the course every year. Pinon Hills is seeking your support as we continue to make improvements to the course that will keep us at the top of our game. By sponsoring a hole on the golf course, your company name will be seen by over 40,000 golfers every year on the course, as well as thousands more on our new website, www.pinonhillsgolf.com. On our new website, there is a special sponsor's page with a link to your company website where we will put your logo and information.

There are a limited number of holes left for sponsorship, so please contact Chris Jones at 599-1066 if you are interested in this great opportunity. Be a part of our extended family of businesses that have chosen to support Pinon Hills Golf Course!
