From Your Board of Directors

We are pleased to announce that Todd Nicklas will join the Lake Valley family as its General Manager/Head Golf Professional, effective August 1, 2016. Todd has been most recently employed by the Camden-ton School System as an educator and Head Golf Coach for many years. Previous experience includes his employment as the Head Golf Professional at Sedalia Country Club and Harrison Country Club in Harrison, Arkansas. His PGA training and life experience make him uniquely qualified to be our new General Manager. He and his family have deep roots to the area and his commitment to our youth/family golf makes Lake Valley's future look very bright.

Change is never easy and we hate to see Dan Robertson leave after so many years of valuable service. He is a talented man with a great family and we wish him success in his future endeavors.

We know there will be many questions concerning these changes and the future of our club. As always, feel free to talk to your board members. We value your opinions.

As usual, if you have any questions or concerns, call one of your board members.
