

2016 Junior Golf Program

Dear Parent or Junior,

A new season is under way and it is time to think about instruction for our young golfers. The junior program at Little Mountain Country Club is intended to provide your child with proper golf instruction. We will provide instruction for juniors of all ages and abilities with emphasis on the basics, safety, rules/etiquette and fun for the younger group, while our older students will receive instruction more tailored to their individual abilities.

The program includes golf instruction from our PGA staff, tournament experience, drinks, prizes, and a lunch party during the final week, and lots of FUN! All age group will also be spending some time playing on the golf course. If your Junior Golfer has clubs, balls, tees, and sun block, make sure they bring them to the program. See schedule on next page, will expand another hour from 11:00 to 12:00 if needed based on participation. It is also possible for siblings in different age groups to practice during same time. When we play on course prefer age groups or skill levels playing together. We will need parent volunteers for younger age groups when playing on course.

We would also like to take this time to introduce Little Mountains Kids Play Free in 2016.. This program is good for children 12 & under and includes a Free Round of Golf with every paid Adult every Friday thru Sunday after 4:30 PM.

Price will be \$150 per Student..

To sign up please call Bryan Huff's cell 440-382-5305, the Pro Shop at 440-357-7888 or email Bryan Huff at bryanhuff@aol.com

Sincerely,

Jimmy Hanlin
Director of Golf

Michael Mandato
