

# 2016 Weibring Golf Camp @ ISU

## Overview

The Weibring Golf Club Junior Academy has developed an innovative golf program for juniors 4 – 16 years of age. In order to provide a quality-learning environment, each class is limited to 24 participants. The program will be administered by PGA Assistant Golf Professional Stacey Miller and several of the Club's Staff Employees.

## Our Goal

Our goal with the program is to facilitate a fun atmosphere where learning can take place. We plan to cover golf etiquette, short game and full swing fundamentals, along with helping juniors transfer those skills onto the golf course. We also offer a fitness aspect which relates golf skill movements with other common athletic sports. Each session will be a 4 day duration. The progression of the week is designed to allow each participant's golf skills to build off each day's lesson. Being able to enjoy the game of golf and have FUN is of most importance!
