TEXAS SCRAMBLE

1. All players tee off on each hole. The team leader then chooses which ball will be used. Everyone relocates their balls to the chosen location. Everyone then hits from the chosen location.
2. This process continues until the ball goes into the hole. All first putts must be marked until everyone has a chance, because if a player putts the ball into the hole; the hole is over.
3. You must use everyone's drive (*tee shot / first shot on hole*) at least three times during the round. It doesn't have to be in any particular order.

ENJOY YOUR DAY AND HAVE A GREAT ROUND!!
