

TORWOODLEE GOLF CLUB **BUGGY HEALTH AND SAFETY**

In order that safety of the driver, passenger and fellow golfers is preserved, the following guidelines must be adhered to comply with the T.G.C Health and Safety policy.

1. Before driving the vehicle, please ensure you are familiar with the operation & controls.
2. Drive courteously and keep to all paths where directed.
3. Take particular care on all hills and in the wet/rain.
4. At the 6th Tee, follow the signs as directed driving very slowly down the buggy path.
5. From the 12th Tee, take the buggy up the 13th Fairway towards the 12th green after checking that the 13th Fairway and Tee are clear from other players and flying golf balls. It is advisable to leave the buggy above the 12th Green on the 13th Fairway.
6. When leaving the 14th Tee take a route heading left down over the 2nd fairway after checking that both are clear of players and flying golf balls. Do not take the steep path to the right hand side of the 14th Banking near the woods.
7. After completing 16TH proceed through the car park to the 17TH tee.
8. At no time should you drive this vehicle across any hills, always drive up and down slopes wherever feasible.
9. After completing round **please connect buggy cable under seat to socket on fence**, empty buggy of all litter and belongings and return the key to the club manager at the bar & collect your deposit
10. Drivers must be 17 years of age or over.
11. Only 2 persons allowed on the car at any one time.
12. Do not drive over tees, greens, surrounds or ground under repair.
13. Enjoy you round and drive carefully.

By order of the Committee 01/04/12
