This a list of the 2012 golf courses on the Illinois Valley reciprocal program. You may play 18 holes of golf with cart at each course up to three times a year for \$20. Some golf courses will not accept the reciprocal until after 12:00 on the weekends but some courses will accept it. Please make sure you call 24 hours in advance to set up a tee time and let them know that you are on the reciprocal program. There is no 9 hole rate or a reduced rate for walking. Make sure that you have your reciprocal card with you when you check in at the course.
