

**Exciting News from Ash Brook**

**New for 2014**  
**Friday Night Mixed League**

Here's how it will work.

You enter a 4 person team (1 MUST be female, preferably 2).

You will play a 9-hole scramble (best ball) each week. Head to head against another team.

Points will be awarded accordingly.

There will be a regular season and then you will be split into divisions for playoffs.

This league is open to members and non-members.

Golf-offs are allowed, just not on Tuesdays or Wednesdays.

Spares will be allowed but you must have 1 female at all times, no exceptions.

There will be a team registration fee (to be determined) which will go towards the year end banquet, awards and prizes.

Space will be limited so register early.
