

Ladies League Rules

Winter rules in effect all year. In the fairway, the ball can be moved 6" to improve your lie but not closer to the hole. If you move the ball in the rough, a stroke is to be counted.

White out of bounds stakes on 1, 2, 5, & 6. Golfer loses stroke and distance.

Hole #4 – 1 try from the tee. If it goes in the water, then carry the ball to the drop area, hitting three from there.

Hole #7 – Left ditch and bridge from the tee is a penalty stroke – no distance. Right drainage ditch is a free lift but not closer to the hole. Par 4 ordinary play, Par 5 for ladies league. Also, on #7 you **MUST** continue trying to clear the pond, unless you fall into the category of "D" in "Ways to Speed Up Play".

Hole #8 – 1 try from the tee – then carry the ball to the drop area – hitting three from there. If the ball hits the pump enclosure on the fly and goes into the water or woods – no penalty – replace ball near the pump enclosure, hitting two from there. First group through – move the red tees up to the trees.

Keep track of total strokes on each hole, plus the number of putts.

You are not allowed to re-tee the ball!

WAYS TO SPEED UP PLAY

- A. **Keep an eye on the group in front of you. There should be no more than 1 hole open between groups at any time. As soon as the fairway is open, the next group should be ready to tee off. When one group leaves the green, the next group should be ready to hit to the green.**
- B. **Play ready golf.** Be thinking about the club you'll use on the next shot and go to your ball as soon as it's safe. On the green, go to your ball as long as you aren't disturbing the golfer putting so that when it's your turn to putt you are there, ready to assess your lie, and putt.
- C. The average score for the most recent 4 rounds of league golf should be below 70. (9 holes).
- D. **If you've hit the ball 8 times and are not yet at the green, pick up your ball and put it 6 inches from the edge of the green closest to you and putt.**

OUR GOAL IS TO COMPLETE 9 HOLES IN NO MORE THAN 2 HOURS AND 15 MINUTES!
