Pace of Play Policy

This program has been established as a service designed with your enjoyment in mind.

- * If your group has fallen behind the group ahead; i.e., 9 minutes or more gap between foursomes finishing a given hole, and/or take over 15 minutes to complete play on any given hole, you will be asked by the Marshal to catch up with the group in front of yours.

* If your group requires a second reminder concerning slow play, you will be given the opportunity to pick up your bails and catch up with the group ahead of yours. You may also elect to receive a rain check or refund for unplayed holes. It will be suggested that you return at a less busy time.

* If a third reminder is necessary, you will not be permitted to continue play. You will be refunded the difference between 9 and 18 holes
