Abnormal Ground conditions: Casual water, burrowing animal holes, their cases or runways, material piled for removal, hole made by greens keeper, deep ruts made by maintenance equipment and other ground under repair(GUR), GUR usually designated by white lines encircling area (Rule 25-2 for relief, no penalty).

Maintenance Roads: Nearest relief without penalty.

Lost ball: There is Stroke and distance penalty (Rule 27).

Preferred Lies: Widespread adverse conditions throughout the course may warrant the use of ‘preferred lies/winter rules’. When conditions warrant such ‘local rules’, the Starter will post a notice.

Players **MAY** lift (in fairway only), clean and place their ball within six inches of where it initially lay, no closer to the hole, without penalty. After the ball has been so placed, it is in play, and if it moves after the player has addressed it, the penalty shall be **one stroke**.

Between the play of two holes, a player **shall NOT PLAY ANY PRACTICE STROKE(s) on or near the putting surface of the hole last played**.

When hitting from East #1 **WHITE** tee, the ball **MUST** come to rest on the far side of Gird Road to be in play – stroke & distance.
