

## 2019 Men's Tuesday Open League

Turtle Creek Golf Course is offering a Men's Tuesday League, open to non-members and members. There will be an early shift which will begin at 3:00, and a late shift that will begin at 5:30. This league will run from April 23<sup>rd</sup> to August 27<sup>th</sup>, with a total of 19 weeks of play. USGA Handicap is required for participation; if you need help registering for a USGA Handicap, please see a member of the Golf Staff.

On April 9<sup>th</sup> at 6 PM, we will have an orientation for all current and potential participants in the Thirsty Turtle Lounge. You may register, ask questions or meet other players at this function.

The competition will be based on team performance during head to head match play. Prior to the start of the season, we will distribute schedules for your team's match up for each week. Each team will have an "A" player and a "B" player, which is determined by handicap. The "A" player will face the opposing teams "A" player, and the "B" player will face the opposing teams "B" player. Points will be earned as follows: each hole is worth 2 points/person and each match NET winner will receive an additional 2 points. If a hole is tied, each player will receive 1 point. If an opponent is unable to play, they may use a sub. Subs are required to have a USGA Handicap, if they do not they will play "scratch." If your opponent is unable to find a sub, you will play against Par. When playing against Par, you will receive 2 points for a win or a tie for each hole. Points will accumulate throughout the season, there will be point's payout through the 1st half & 2nd half. The Overall Champion of each shift will receive an Embroidered Turtle Creek Polo.

Fees: \$380 for Non-Member for the full 2019 League season. This fee includes greens fees, cart fees and prizes. Members with a cart pass, their fee will be \$95, which covers their prize entry money. Members without a cart pass, their fee will be \$190, which will cover their cart and prize money for the league. These associated fees cover only one shift.
