Bathroom Remodeling

I am sure many of you have noticed the improvements to our clubhouse bathroom & the bathroom between the east & west course. You have probably noticed that there is no paper flyers posted on the bathroom mirror or doors. Michele Rieder has put decorations on the

doors & the back of the stalls. Magnets are available to put up any signs on the board to the right of the sink. We are in the process of having a new sink and cabinets installed. Special thanks to the Thursday night ladies league for their \$100 donation last year to our remodeling project.
