

Thank you for considering White Pines for your golf outing.

White Pines has been a favorite among Chicagoland golfers since 1928. Its convenient location near O'Hare, coupled with the 36-hole course layout sets this facility apart from the rest. Our staff provides expert outing services that fit the needs of each group, whether for fund-raising, business or socializing.

White Pines can accommodate up to 288 guests and is available seven days a week. You may customize your event with a variety of upgrades. I will be happy to review with you all the possibilities.

Let me assist in planning your successful outing and make it as easy as possible. Please give me a call to secure a date for your outing, or to set up an appointment for a tour. I look forward to hearing from you soon.

Sincerely,

Kevin Lind
