Dear Members and Guests,

I hope everyone is ready for the holidays! We have had fantastic weather lately, which has led to a very busy fall golf season. We were very fortunate to make it through Hurricane Matthew without much damage. Todd and his crew put in long hours to get the golf course back into great shape and we extend our many thanks. However, we did have to modify our schedule of events by moving the Club Championship date and cancelling the Pro portion of The Seaport Open, but everything seemed to work out great in the end. Fortunately we were able to host The Seaport Open charity scramble and donated \$2,500 to The First Tee of Savannah! Additionally, this past weekend we hosted the Club Championship and had great weather with the golf course being in championship condition.

We are heading into the slower months golf wise, but sales and event staff have a record number of holiday parties booked over the next month!! (Kudos to Amy Costley, Katora Blash and Heath Jackson!) This includes our first every Member Holiday Party on December 15th from 6:00 pm to 9:00 pm. Please mark this off on your calendar to come out and have some food and fun!!

PGA General Manager/ Director of Golf

Happy Holiday's Y'all!

It's that time of year where the feel good food is brewing in the kitchen, and pumpkin flavored everything is taking over (including the beer taps). In the spirit of Fall and Winter, the Italian buffet is back every Tuesday, 11am-2pm, and of course we are still frying up the best chicken around every Thursday!

We hope to see you soon!

Crosswinds Golf Course

Our crew and I set forth a mission just over a year ago. The task was going to be arduous, yet edifying through discipline and patience. There were moments when spirits were tested, stamina drained. Times came when our pride for this place, Crosswinds, was our motivation. This year has been a journey, one which has enlightened the idea that great employees can and will do great things, regardless of their limitations.

The end of last summer left Crosswinds in a less than acceptable condition. A plan was developed to address these issues, without, shutting the course down for extended periods. Many were witness to some of these interferences upon their golf game. Thank you for your patience. Many of the processes required to repair the turf were done under the cover of darkness. Crew coming in at 2 and 3 in the morning to accomplish procedures so play can continue uninterrupted. These guys are unbelievable! When you see them, thank them.

The end result of this season has been remarkable. It has provided a strong foundation for next year. Aiding in next season, will be the removal of much of the underbrush and large trees in strategic areas. These areas have overgrown and are causing issues with the turf on tees and greens. Some of this removal is also preventative maintenance. This will help to ensure that we can minimize any negative effects from loss of sunlight and air flow.

See you on the course,

Todd Wert GCS
Director of Agronomy

Rule 27-2

Original Ball Found and Declared Unplayable, Player wishes to Continue with Provisional Ball

Q.A player played his tee shot into deep woods. He correctly played a provisional ball to the fairway in case the ball would be lost. Before reaching the provisional ball the player finds the original ball laying against the base of a tree in between two large roots. The player declares the ball unplayable. His best option is to proceed under Rule 28a and return to the teeing ground. To save time may the player still continue play with the provisional ball?

A.No. Once the original ball is found the provisional ball must be abandoned (Rule 27-2c) and the player must continue play with the original ball or declare it unplayable (Rule 28). A provisional ball is not an option for a ball that may be unplayable. It is only an option if the original ball may be out of bounds or lost outside of a water hazard.

Congratulations to Jerry Wesse and Terry Webb on your Member-Member Tournament Win!

GGP Member Spotlight

Carson Murry Crosswinds Jr. Member

Carson started playing sports at age three which included football, baseball, and basketball. He started going golfing with his Dad and got a passion for Golf. He enjoys golfing, basketball, fishing, and riding his dirt bike. He also can play a good game of Ping Pong. He is a Jr. Member at Crosswinds and plays quite often. The staff at Crosswinds know him so well that during the summer his parents were comfortable dropping him off in the morning so he could practice his putting, then have some lunch in the clubhouse, and then go back out on the greens and play golf until dark. His family loves to watch him play, and hopes he continues to follow his dream of one day playing in The Masters at The Augusta National.

The Seaport Open

We are proud to announce that the Seaport Open was able to donate \$2500 to the First Tee of Savannah! Thank you to all who donated and played in our tournament.

Dear Members,

The weather is starting to cool down, and we have several tournaments and events on our calendar. It has been a busy year, and we are looking forward to a great New Year! If you or someone you may know is looking to book a Valentine Dinner or Party, please let me know. We still have Saturday February 11th available for a private event.

Thank you to all who played and donated to our annual Seaport Open Tournament. Fun was had by all, and we were able to give a large donation to The First Tee of Savannah.

Please check out our current Trial Membership promotion. This is a great opportunity for someone considering membership at our course. Please email me for details amy.costley@galleagolfproperties.com

Sincerely,

Amy Costley
