

PRESIDENTS LADIES' ASSOCIATION

Founded in 1981 with 13 members, the Presidents Ladies' Association today consists of close to 140 members and is one of the largest women's golf associations in Massachusetts. The league plays primarily on weekends and also includes its Monday night Clare MacDonald League for 9-hole players interested in learning the game.

The PLA is committed to the advancement of the game, but most importantly is committed to its members enjoying the course and one another. We welcome all levels of play, from the lowest handicap to the highest, and everything in between. Golfers generally will play within their division, but there also are a number of scramble-format events, giving the ladies a chance to mix it up a bit and making the PLA truly a well-blended league.

If you'd like to join the PLA or would like more information, please give us a call. There are no requirements to joining other than a commitment to experiencing the great game of golf with a great group of women. You can join mid-season, so it's never too late to make this summer your best ever. We look forward to hearing from you soon!
