

"Having been a member of the Club in various guises since the age of 10.

It is a tremendous honour to be given the opportunity to be Captain of a Club that has been at the heart of the community for over 85 years.

We have endured a turbulent few years but continue to maintain a fantastic course for members and visitors alike.

This has only been possible thanks to the loyalty, commitment and support of all our members and long may that continue?

I am sure that we can have another successful and enjoyable golf season in 2019 and I look forward to seeing you all on the course and in the Clubhouse throughout the year".
