

## **Business League Tournament Rules:**

### **Rules of Play:**

#### **Single Elimination Tournament....Win and move on!**

**If both teams split their match, each team wins one match. The tie breaker is the total strokes of both teams, if there is still a tie, it will go to the hardest handicap hole and both teams will add their score together.**

All players competing in the tournament must have played for their team at least twice during regular season play. However, if for some reason you never had very many subs and some of your regular guys can't make tournament play you are allowed to substitute a player that has the same playing ability as the player he is replacing.

#### **Example:**

Bob has played in all the matches this season; however he cannot attend the playoffs. Bob has a Ghin handicap of 10 for 18 holes of golf. Therefore, if you need to find a replacement for Bob during the playoffs the person must have a Ghin handicap of 10 or higher in order to be eligible for the match.

#### **No Handicap:**

If the player doesn't have a ghin handicap you will have to get approval through Scott at Meadowlark Hills before he competes in the match.

Thanks Again,

Scott Bruha
