Helpful Planning Tips...

Contests, Games, and Other Money Makers:

There is no limit – be creative. Here are some examples that have worked well:

- Closest to the pins (holes 3, 5, 13 and 17) and only 1 long drive (holes 12 or 18). To give more participants a chance to win, you can also offer a shortest drive, straightest drive, and a longest putt made. You won't need to do a thing except provide prizes, we'll handle the rest.
- 50-50 Raffle for hitting the green. Everyone who hits the green gets entered in a drawing where the winner gets 50% of the proceeds. You'll need 1 or 2 people to sit on a certain hole during the tournament and ask golfers to participate.
- Putting contest – we can help you set it up on our practice green before the event. There are many variations, but usually a 50-50 situation works best. It can be done with a single volunteer, but with two people, it is easier.
- Mulligans – Mulligans will slow down pace of play, however they are pure profit. Please limit golfers to 2 mulligans each. You'll need a couple of people to sell mulligans when golfers check in.
- Tee Busters/Skirts – If a player uses a tee buster/skirt he may tee off from the ladies tees.
- Hole in 1's – Hole in 1 prizes are a great selling point for all Tournaments.
