

President's Message

Another St Pats has come and gone and what a huge success for the club. We had 130 golfers, a ton of sponsors, a great group of volunteers and some great weather. Jeff and his staff also worked their tails off to take care of everyone playing and the golf course. Congratulations to Kelly Gosse who was the overall champion, and to all the members who placed or even won their flight. I also want to congratulate the ladies, as I heard the Ladies Jamboree was a huge success with 124 players, and a great time had by all. The annual meeting was held last week and went very well and congratulations to Keith Spong, Donna Thomas and Jay Rozzi on being elected to the Board. We will continue to push forward, work together and make 2019 a great year for our club. Thank you to all for the support we continue to receive and looking forward to a great year.

Message from the General Manager

We had a very busy March with the Ladies Jamboree and St. Pat's. I want to thank all of the volunteers that helped with St. Pat's. It takes quite a bit to make St. Pat's and the volunteers really make it a special tournament. I want to also thank all of the sponsors for their support. I really think the liquid over seed made a big difference this year on our fairways, they held quite well considering the amount of play we had this winter. The weakest part of the course is some of our tee boxes. We recently aerified them to help soften them up. Some tree removal is necessary to help some of them. There are several gold and silver tee boxes that need enlarged due to the amount of players that are now using them.

COACH'S CORNER... Welcome to Coach's Corner. On March 4th, the Ladies had their 2nd Ladies Jamboree, and a great time was had by all. The Ladies had 124 golfers with a waiting list. Our Ladies at IGCC played very well, and a big thanks for all the help that went into putting on this event. I think it will only get bigger and better. Great Job Ladies!

The St. Pats Tournament was another huge success, with a group of 130 golfers, once again our men showed that they can play with anyone. A huge thanks to Nick Nicholas Ford for all they do, and a huge thanks to all the sponsors that helped with this event.

With summer fast approaching, drink plenty of fluids, and don't forget your sunscreen!

May all your drives be in the fairway!
