

HONOR FLIGHT TOURNAMENT – LETTER 7

Here it is March 27 and the time is getting closer to our Honor Flight Golf Tournament. We are down to 64 days until tee time. Our flyers have been printed so pick one up at the clubhouse or club and fill out whether you want to be hole sponsor or a team sponsor. I am sure since this is Letter #7 our goal this year is \$10,000 which will send a plane load of veterans to Washington DC. Thus far we have received \$1109.43 in donations. So we have less than \$9000 to go. See me at the club with your donation or mail it to me at 3422 S Stroud Terr, Inverness, FL 34450. A donation no matter how small will be appreciated.

Thanks to Jack and Sue Sasso for a wonderful basket of wine and champagne as their donation to the raffle. It is sitting in my spare bedroom waiting for the tournament to come. It is difficult each day to let it sit there, but I promise Jack and Sue it will be on the raffle table. I hope others will join them in providing exciting baskets for our raffle.

I encourage teams to start signing up at this time. We have a limit of 36 teams and it will be first come until 36. The previous tournament we had 29 teams and I have heard that more will participate this year. Remember Honor Flight only has a 3.4% overhead so the rest will go to Veterans.

I am going to put up a thermometer chart somewhere in the club room that Jeff approves so you will be able to follow the monetary donations.

God bless all and I always look forward to chatting with you all at the club!!!!

Pat Mitchell
