

President's Message

November is right around the corner and our first cold snap has been very welcomed around the club. It's also great to see our wonderful friends from the north back for a few months. We have made it through those dreaded 100 degree days now hopefully everyone can get out and enjoy the weather. I also must say the golf course is in magnificent shape, so Thanks to Jeff and his staff, those guys continue to impress for such a small group and all they get done day in and day out. Looks like as usual this time of year the events at the club are ramping up, so please make sure if you are going to participate you get signed up. One last thing please remember Wednesday night is Halloween, the neighborhood will be full of kids, please be careful if you are out and about. Thanks for all your support of the club.

Until next month...

Message from the General Manager

Well the cooler weather is finally here. The Bermuda has already slowed its relentless growing like it was this summer. The greens have really picked up some speed which always makes it more fun, especially if you get above the hole on number 1.

We will be starting the liquid over seed the first week of November. We have put some rye grass on the upper section of driving range. We will do the lower section after we can start using the top section.

The Club Championship is scheduled for December 7-9.

Till Next Month...

Hopefully we will have the scent kits available at this meeting. The cost will be \$2 per kit. Please try to have the exact monies if possible.

Our next luncheon will be December 6, 2018. It will be our Annual Bake Sale with lots of goodies to buy!! Our menu will be Prime Rib, Baked Potato, Asparagus and Cheese Cake-sounds yummy!
