VALUES**

The First Tee of Akron, an initiative of the World Golf Foundation, gives juniors of all backgrounds the opportunity to develop life-enhancing values such as honesty, integrity and sportsmanship through education and the game of golf.

Through the Life Skills Education, participants learn valuable lessons about the importance of maintaining a positive attitude; how to make decisions by thinking about the possible consequences; how to define and set goals; and how to transfer values such as responsibility, honesty, integrity, respect, confidence and sportsmanship from the golf course to everyday life.

Participants learn about themselves and others through a range of experiences that enhance their golf fundamentals as well as their fundamental values for life. As their opportunities on the golf course expand, so do the opportunities for their futures.
