Fellow Golfers!

It's hard to believe, but it's a new season at the West Palm Beach Golf Course. As a proud member of the Florida Historic Golf Trail, we would like to thank our faithful members and welcome those of you considering joining a golf course rich in tradition and history. We strive daily to provide a quality municipal golf course experience that offers affordable golf, excellent customer service and instruction, multiple leagues, and just plain fun. When you come through the Pro Shop door, we want you to feel a welcome part our golfing family.

Over the past year most of you have met our new assistant James Lowe, who has been an invaluable addition to our team. I hope you are enjoying his cartoons covering rules and other information posted in the carts. Speaking of carts, the 75 new Club Car golf carts have been a great upgrade and we hope you drive them with care.

The Historic West Palm Beach Golf Course designed by renowned architect Dick Wilson, has the advantage of being centrally located in Palm Beach County with easy access off I-95. As the locals know, we aren't affected by the rains as other area courses that often have to close or go to cart paths only. Golfers are back on the course in a very short time even after the heaviest downpours. This former PGA Tour site has five teeing options ranging from 7002 to 5023 yards and a snack bar to serve your food and beverage needs. So play where legends play and be part of our history!

This past spring we said a fond farewell, but not goodbye to our long time superintendent Joe Sellars. Judging by that big smile on his face, he is definitely enjoying getting off the mower and playing more golf. Our current superintendent Chris Perryman has just hired a new assistant, Andrew Benson, so be sure to say hi when you see him. The weather this summer brought a new set of challenges with lower than average rainfall. Rest assured, Chris and his crew have been working tirelessly to provide our golfers with some of the best putting surfaces in the county. The proshop staff has been busy sprucing up around the course by repainting signs, yardage and tee markers, outside of restrooms, and repairing drinking fountains.

Attached you will find 2016-2017 membership options that we hope will meet your needs. **The new year starts October 1 but there is a grace period that ends Sunday, October 9 for our renewing members. Starting October 10th you will be charged regular rates until you rejoin or select another membership option. You can take advantage of additional 10% reduction if you join by October 31, 2016. Our neighboring non-city residents who reside in qualifying West Palm Beach zip codes will once again be offered a special discount.** For example, if you live in Lake Clarke Shores, you would be eligible. Just check with our staff to see if you qualify. We also offer Seasonal memberships for our "Up North" friends and Player Loyalty Cards. Please review the attached membership offerings and select the one that suits your lifestyle. I can promise you our staff will do everything possible to put a smile on your face, work to improve your game, and make you feel part of our historic golfing family. If you have any questions please do not hesitate to contact us.
