October 1, 2017

As a proud member of the Florida Historic Golf Trail, we would like to thank our members and welcome those of you considering joining a golf course rich in tradition and history. The staff strives daily to provide a quality municipal golf course experience that offers affordable golf, excellent customer service, first class instruction, multiple leagues, and just plain fun. When you come through the Pro Shop door, we want you to feel a welcome part our golfing family.

The Historic West Palm Beach Golf Course designed by renowned architect Dick Wilson, has the advantage of being centrally located in Palm Beach County with easy access off I-95. As the locals know, we aren't affected by the rains as other area courses that often have to close or go to cart paths only. Golfers are back on the course in a very short time even after the heaviest downpours. This former PGA Tour site has five teeing options ranging from 7002 to 5023 yards is uniquely without water hazards. So enjoy the traditional gem of an old Florida style course and be part of our history!

Our maintenance crew has been working tirelessly to provide our golfers with some of the best putting surfaces in the county. The course came through hurricane Irma in good shape with just some minor tree damage.

Attached you will find 2017-2018 membership options that we hope will meet your needs. All annual memberships are valid **October 1-Sept 30. We do offer our returning members a grace period to renew. On October 17th you will be charged regular rates until you select a membership option. You can take advantage of additional 10% reduction if you join by October 31, 2017. Our neighboring non-city residents who reside in qualifying West Palm Beach zip codes will once again be offered a special discount. For example, if you live in Lake Clarke Shores, you would be eligible. Just check with our staff to see if you qualify. We also offer Seasonal memberships for our "Up North" friends and Player Loyalty Cards. Please review the attached membership offerings and select the one that best suits your needs. I can promise you our staff will do everything possible to put a smile on your face, improve your game, and make you feel part of our historic golfing family. If you have any questions please do not hesitate to contact us.**
