Dear Golf Committee:

On behalf of my family and myself I would like to thank you for your generosity. I can not put into words how much this means to me it is an honor to be recognized with such a scholarship, especially from Cleveland Heights which was my home course for the three wonderful seasons of golf I participated in. It's rewarding in many ways to see the efforts of my coaches, team, and myself pay off. I hope that my name up on the board at Cleveland Heights will inspire many more golfers like me to work hard, because every drop of sweat while playing golf is worth it.

I began golf my sophomore year of high school and I had never even touched a club. I was fortunate to have coaches that were patient no matter how many times I put my head up. Without my coaches and the team, I would not have fallen in love with golf like I did. The Dreadnaught team was not the only one supporting me; the workers at the Cleveland Heights Golf Course were also there for the team and me. Everyday before a match Jimmy would pitch in with a "Good luck" and Keith went out and gave all the new comers a few lessons to sharpen our skills. Everyone made me feel welcomed no matter how bad my game was. I am so lucky to have been able to participate in such a wonderful sport that I can continue to play for the rest of my life. Golf has been one of the greatest rewards I have received; my life without it would be a bore.

Once again I would like to thank you from the bottom of my heart. This scholarship shows my mom that the fifteen-minute drives to Cleveland Heights paid off. It shows my dad that my sister and I were not wasting our time on the course. This scholarship shows my coaches and team members that their effort was worth the time and energy. The scholarship adds pride to the Dreadnaught golf team since all four of us received the 4-Ball Invitational Scholarship this year. Thank you so much, your generosity will pay off one day in the glory of God. My words do not come close enough to how thankful I am, but I will make it clear through my actions as I continue to put as much effort as I did into golf into my education. Thank you. God bless you all and your families.

Sincerely,

  
Natalie Santana

Dear Cleveland Heights 4-Ball Invitational  
Golf Committee Members:

Thank you, for putting together such a great event as the Cleveland Heights' 4-Ball Invitational Tournament, for the scholarship, and for your tremendous amount of effort that allowed for four scholarship winners. Playing golf has given me so much, this scholarship being a bonus, for the past three years I have been able to indulge in the sport, building character, friendships, skills, and success. Cleveland Heights has been an instrument and tool, helping me along the way as Lakeland High School's home course, out on those green are my first drives, chips, putts, and even pars. Along with all my golf skills, I can say that Cleveland Heights' hosts a home for me, I met incredible and humble people in my past three years who did not laugh because I had never swung a club, but took it as a chance to teach me how to swing. I have gone through more instructors than someone that has been playing for eight years because so many people at Cleveland Heights were willing to help. Today, it has all paid off, I am not a pro, but I am part of the first Lakeland High School's girls golf team to go to the Regionals Tournament and when I step out on a course I am enlightened by the game of golf. Once again, Thank you for wishing to help further my education and thank you for not only supporting my as I leave to college, but for supporting me through my entire experiences of being a part of Lakeland High School's golf team these past three years. With out golf and without this scholarship my life would not be transcending into the beauty that it is today. Thank you and I hope to see you all soon.

Sincerely,

Monica Santana
