PGA JUNIOR LEAGUE

Dick will be forming a PGA Junior League team again this year.

Any player 13 years and younger is eligible to be on the team regardless of skill level.

The league play will kick off in early June and end in July.

The team will play one match each week against other teams in the Upstate.

If you have a child or know of a child who would be interested, give Dick a call at the golf shop. The phone number is 882-8037.

Team registration will start in April.
