Pro-shop Merchandise For Your Outing

In addition to golf, Green Crest would like to reward you with deep discounts, and tremendous savings in our pro shop. Need prizes for your outing, a new driver for yourself, or simply something small to put in every player's golf cart? I personally guarantee you will not be able to purchase name brand merchandise anywhere for less. Once you book an outing with us you can arrange to meet with one of our pro shop team members and have privilege to employee pricing on everything in our pro shop. These prices are not published, but can be revealed to you for any merchandise in the shop, or anything that would be ordered. Another popular concept is to collect \$2-\$10 additional per player and purchase gift certificates to our pro shop. This allows the winners of your event to shop and pick out their own prize after the outing.

Planning Your Outing

Services to you

Large or small, your outing will receive professional service including the use of proximity markers, score sheets, and the many other services at our facility. Our goal at Green Crest is to offer you the highest quality of service catering to your outing with extreme attention to detail. Every outing is offered the same services. With advance notice we will prepare score sheets, proximity markers for closest to the pin/long drive, take out hole sponsor signs, and handle the details of your food order flawlessly. This ensures that your outing will be the successful event you wanted.

Step One: Reserve Your Outing Date

- Check on the availability of your outing date by calling (513) 777-2090
- Consider your food and beverage needs and select choices that fit
- Consider your gift and award needs
- Complete the Outing Contract in this packet and submit it with a \$100 non-refundable deposit to Green Crest and your outing date will be reserved. This deposit must be in the form of cash, check, or a credit card number.

Step Two: Determine the Golf Format

Determining the format of your outing depends on the number of committed players, your time constraints, the day of the week, and the course availability. Green Crest is equipped to manage every type of outing format, such as: straight tee times, scrambles, individual competition, shotgun starts, waves, etc. Special arrangements can also be made to rent out the golf course for the day exclusively for your outing or company.

Sequential tee times off the first tee

This is the most common format used. It allows you, the outing coordinator, the most flexibility in changing the number of golfers you will be paying for on your outing date.

Shotgun Starts

Shotgun starts require a tremendous amount of planning and requires that the course be closed to other customers. Therefore, Green Crest will only arrange a shotgun start on the weekend if you are willing to **financially commit to having 136 players. A credit card # is required one month prior to hold the course for a shotgun start, and a \$1000 down payment will be charged 7 days prior to the outing.** On the day of your outing if there are less than 136 golfers your credit card will be charged the difference. Exceptions to these requirements can be made at different times of the year, on certain days of the week, and at management's discretion. **Weekday shotgun** starts have a significantly smaller requirement on the number of golfers. If you are interested, don't hesitate to ask our staff. We also offer partial shotguns early on weekday mornings just using 9 holes. The requirement for this type of start is significantly less.

Wave Format

The wave format, which uses both sides of the course, allows us to start 8 players per tee time. **A wave can accommodate 120 players, and requires a minimum contract of 100 golfers in order to be scheduled on a weekend. This type of outing requires a \$100 deposit.** Exceptions to these requirements can be made at different times of the year, on certain days of the week, and at management's discretion.

Weekday wave starts have a significantly smaller requirement on the number of golfers. If you are interested don't hesitate to ask our staff.

Step Three: 14 Days before Your Outing

If we have not yet received a call from you, a Green Crest staff member will be contacting you to review details concerning number of players, food orders, and other needs you might have concerning your outing.

Participants

This is the time to confirm the total number of golfers that will attend the outing. Adjustments of no more or less than 10% of the original booking can be made at this point. This allows us to make certain the tee sheet is accurate for the day of your outing.

Food and Beverage

If we are preparing a meal for your outing it is extremely important that you notify us which entrée you wish to have for your meal. At the same time details concerning open tabs, tickets used to manage consumption of food and beverage, special beer and wine orders, or large orders of a particular beer/wine will be finalized. This information allows us to place food orders on time, ensure that your food is fresh, and of the highest quality. Once we have placed the order for food and beverages you are financially responsible.

One Day before the Outing

Deliver hole sponsor signs and any items you want placed in the carts, as long as those items meet the rules and regulations of the course. Provide the Pro Shop a list of player names and the order your groups are teeing off so we may create personalized scorecards and a score sheet. Please bring two copies or something we can copy.

Day of the Outing

Congratulations! You can enjoy the day. We will keep to the plan established unless notified by you of any changes. The total amount of your final bill will be due. Acceptable forms of payment are cash, company checks, personal checks, VISA, or MasterCard.

Step Four: Planning Your Next Outing

To you, our loyal customers, we offer an advance reservation program in order to better serve your needs for your next outing. This program allows us to give you special attention and allows you the opportunity to schedule your outing on or near the same date the following year.

Green Crest Outing Policy

1. **PACE OF PLAY:** Green Crest Golf Club has established a time of 4½ hours for the outing's pace of play. Outings that have difficulty maintaining this standard may be asked (through golfer assistance) to speed up their pace of play, skip a hole, or vacate the golf course in return for a rain check
2. **TEE TIME BOOKING RESPONSIBILITY:** Please call if you need to adjust the number of tee times we are holding for your outing.
3. **SPECTATORS:** No spectators are allowed on the course! Only Green Crest employees can drive beverage carts, ranger, and take out hole signs. If you have people who are going to run games on certain holes, our employees must take them out to those locations.
4. **SEVERE WEATHER:** In the event of severe weather causing the outing to be cancelled on the specific date contracted, Green Crest and the Outing Leader will meet to reschedule the outing. Rescheduling will be subject to date availability and, if a date cannot be agreed upon, the \$100 deposit will be returned.
5. **PRIZES:** Prizes and merchandise must come directly from Green Crest Golf Club. You will have the choice of either purchasing golf merchandise as prizes or buying pro-shop merchandise gift certificates. It is not permissible to bring merchandise purchased outside of Green Crest Golf Club. However, donated merchandise is allowed.
6. **FOOD & BEVERAGES:** Food, soft drinks, and alcoholic beverages may not be brought onto Green Crest premises. State Law and Health Inspectors prohibit general public from distributing alcohol or food. No coolers are allowed. We have coolers you can use for free with the purchase of all types of beverages. Only the staff at Green Crest Golf Club is permitted to dispense alcoholic beverages from the clubhouse or beverage cart.
7. **CARTS & RULES:** Weather conditions and course maintenance will determine the cart rules. Outing participants will be responsible for following the cart rules established and announced for that particular day. Green Crest Golf Club staff will administer carts as each starting time nears in order to prevent congestion and confusion.
8. **GOVERNING PRINCIPAL:** All outing participants must abide by the rules and regulations that have been established by Green Crest Golf Club. It is the Outing Coordinator's responsibility to convey the above rules and regulations to all participants.
