

Manton Outdoor Education

Our 25th annual Golf Tournament will be held on August 12, 2017 at Emerald Vale Golf Course in Manton.

The monies raised at this tournament are used to fund Camp Rotary and other Outdoor Education programs for our students.

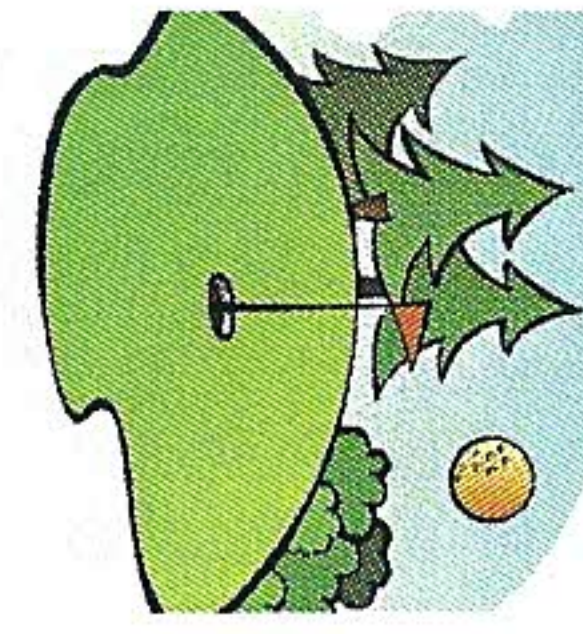

Camp Rotary is an outdoor education program that creates a positive environment where all students can learn, develop friendships, encounter new activities and be encouraged to reach for that highest attainable goal.

Outdoor Education is funded entirely through donations and monies raised through our annual Golf Tournament.

We appreciate your participation in this event.
