Love INC's Mission Statement

To energize and involve the people of local churches, in coordination with helping organizations and agencies, to respond to individual and family needs in Wexford and Osceola counties.

We are the clearinghouse to identify needs, screen requests and make appropriate referrals and we work cooperatively with agencies and organizations throughout the area, as well as the 50+ Love INC churches in the two counties. At present we have 33 side door ministries and we coordinate hundreds of Christian volunteers from our network of churches. (In 2017, we had 1850+ volunteer hours just in our office.) We are constantly looking for ways to develop additional ministries to meet the needs of our clients effectively and efficiently without duplication. Because of the financial support of those around us, we are able to transform lives and neighborhoods in the name of Christ.
