### Refund Request Policy

All requests for refunds must be submitted in writing to the Delbrook Golf Commission by June 30, 2017. Refund requests after June 30, 2017 will not be considered. Refunds will be granted due to death, serious illness or injury, and military service. All requests must be documented by medical opinion or written military orders. No cash refunds will be granted. Any member granted a refund will receive a credit applicable to the following year's membership or a transferable gift certificate for greens fees and or cart rentals. The credit will be prorated based on the date of purchase and the date the request was received. Memberships which have been terminated by the Golf Commission are not entitled to refunds.

All requests will be prorated as follows.

The number of days from the date the membership was purchased until October 31 of that year will be determined. This will give a per day price.

The number of days from the date the refund was requested until October 31 will be multiplied by the per day cost to determine the amount of refund to be considered.

Example: If the pass was purchased on May 1 and the refund requested was on June 10.

May 1 until October 31 is 184 days.

$184 \text{ days} / \$600 = \$3.26 \text{ per day.}$

June 10 until October 31 is 143 days.

Amount of credit:  $\$3.26 * 143 = \$466.18$
