FOLDS of HONOR

The Folds of Honor Foundation was founded in 2007 by Major Dan Rooney, a former F-16 pilot, golf course owner, PGA Professional and USGA member. A Major in the Air National Guard and a decorated military aviator, Rooney has served three combat tours in Iraq. After returning from his second tour, Major Rooney witnessed a profound situation that drove him to create the Folds of Honor Foundation.

ABOUT FOLDS OF HONOR FOUNDATION

The Folds of Honor Foundation is rallying a nation to ensure no family is left behind in the fight to preserve American freedom. Through scholarships and other assistance, they give back to the spouses and children of soldiers killed or disabled in service to our country. They provide healing, hope and an opportunity for dreams to be realized...with the support of people like you.

There are currently more than 1 million dependents of military service men and women, 85% of whom do not qualify for educational assistance from the U.S. Department of Veteran Affairs and other governmental programs.

Folds of Honor recognizes our government's efforts to support military service families, but also realize that government cannot succeed alone. Folds of Honor seeks to honor military families by providing educational support and opportunities to ensure that no one is left behind.

We feel this is our duty as citizens of the greatest country in the world.
