

Centennial Acres Golf & Banquet Center

New for 2016

Centennial Acres "Business Membership"

We came up with a "Business Membership" that would give your business an opportunity to entertain clients, and/or reward employees.

This membership comes with awesome golf privileges and flexibility.

We offer a 2, 3, or 4 card option.

This "Business Membership" can be used by two, three, or four golfers at one time. The "Business Membership" can be used by any given employee and/or client at any given time or day.

You do not have to designate an employee or client; rather, if any one employee wants to play or entertain they just check in with your "Business Membership" card.

It's a business membership with flexibility. There is no other business membership like the NEW flexible Centennial Acres "Business Membership".
