

WGC Members and Guests,

Welcome to the 2018 Season! Golf will be here soon and winter behind us. We are preparing for another successful golf season and hope to see you soon. Please look at the information below and let us know if your questions.

- Food service will open on Saturday, March 3rd. We will be open for breakfast and lunch. Our weekday lunch specials will resume on Monday, March 5th. We will continue advertising the specials via our website, Facebook, and email.
- TaylorMade Golf will be hosting another fitting event for us on Saturday, February 10th from 11:00 AM – 6:00 PM at Prairie View Golf Course in Carmel, IN. For further detail go to our website at www.winchestergc.com and check out the flyer. If you have an interest in being professionally fit for the best equipment this is for you...
- The 2018 event schedule is on our website. Please note that changes will be made often through the Spring, so check out the website at www.winchestergc.com often.
- Pro Shop Merchandise will start arriving mid- March. As always, please consider supporting your pro shop. We work hard to offer you the latest in apparel and equipment and we can find almost anything for you and in most cases our prices are better than all the big stores. We stand behind our products.
- Memberships are still available for 2018. Did you forget to get your membership before the first of the year? No problem. We can't give you the \$100 off but we can find a payment plan that works for you. Remember that only 38 rounds of golf make up the cost of a membership.
- Our New Member Promotion is underway!!! WGC Members - find a new member and we pay you \$100. That's right - bring us a new member (not a 2017 member) and once they join we pay you... It is that simple, find a friend and bring them in!
- WGC Members - don't forget about the Driving Range Membership at \$125 per person - all the practice balls you want for a year. Must be purchased by April 1st.
- High School Golf begins when the weather breaks. We make every effort to equally support our members, guests and the school kids. Everyone pays to use our facility and we do our best to treat everyone the same. Thank you for your cooperation as we fully support Junior Golf.
- The course and range will open as the course allows. The last few years the course (especially the greens) has been in great condition. We want everyone to play when the weather breaks, but we also must be careful not to damage the turf. Since we now mow the greens and fairways at lower heights the turf cannot take as much stress as in the past. Please be patient as we need the course to thaw and dry before allowing play.
- League information will be posted in the next month or so. We again host the Monday Ardaugh (Anchor) League, the Tuesday Night Ladies 9 Fun League, the Wednesday Night Men's Work League, the Thursday Night Astral League and the Ladies 18 Hole League (day of play to be determined).
- Club Repair - NOW is a great time to have clubs regripped. Call or stop in and see Eric for information.
- Club Storage still available for 2018. Give us a call for details.
- Handicap fee is \$35 and must be paid before April 1st. Remember a handicap is necessary to play in any state events, the Eastern Indiana Seniors, The Ladies 18 Group, most club tournaments, and some choose-ups. Contact us with questions.
- Finally – WGC is looking for a few good employees. Please help by spreading the word to anyone that might be interested. We are looking for part-time help for the food service, pro shop, and outdoor maintenance. Applicants for food service must be 19 years of age or older and willing to work weekends and afternoons. Applicants for the pro shop must be 21 years of age or older and willing to work weekends and evenings. Applicants for outdoor maintenance must be 16 years of age and have a driver's license. Please spread the word and have anyone interested contact us ASAP.

We look forward to a great 2018 season and we hope to see you SOON.
