

# 2018 Golf Camp

## Green Valley Country Club

Dates:

July 9-12

July 16-19

### Mission Statement

Our camp is a four-day program open to girls and boys ages 6 to 10 starting at 9:00 am and ending at 12:00 noon Monday through Thursday. Instruction on the basics (grip, stance, swing, putting, and chipping) is provided by USGA certified golf professionals and accredited instructors.

The goal of the camp is to provide an enjoyable experience learning the game of golf while simultaneously creating a strong foundation of skills and knowledge necessary to enjoy this unique sport for a lifetime. To supplement group instruction, each camper will receive individual instruction each day and they will be given ample time to practice the lessons taught at the driving range, putting green, and on the golf course. The students will be taught USGA rules and etiquette to help them understand the game of golf. The program is designed to our campers accomplish these goals in a relaxed and fun atmosphere.
