

Forbes Men's Club

2016 Tuesday Evening League Play

The Men's Club plays every Tuesday from March 15th to September 24th. Tee times are available any time after 12:00 pm. All members are allowed to make tee times seven days in advance. This year's membership fee is \$25. **Get 3 new members to sign up and your membership is free.** Come play for fun and support Forbes Golf Course.

Each week members will have the opportunity to compete in our weekly contests. A \$2 entry fee is required to participate in the weekly contest. The weekly contest will be a different game each week with a majority of the events involving handicaps. Handicaps are not required to participate. Players who do not have a USGA handicap will play as a scratch golfer. The first 3 or 4 weeks will consist of events that do not require handicaps so new members can establish one. At the end of your round post your score and deposit your scorecard in the Men's League box.

Food Nights & Meetings

The first Tuesday of each month our Club will host a food night in the banquet room beginning at 5:30 pm. Food nights run April thru September. The meal consists of steak, roll, salad and baked potato and will require a \$12 fee to be paid at the clubhouse at least one week prior to the food night. Beer and canned pop is included at all food nights to members who have signed up and paid. An attendee sign-up sheet will be provided two weeks prior to all food nights. After Each food night we will have an open floor style meeting to address upcoming league events and any questions/concerns with the league itself. Please be present for the meeting at 6p if you can.

Hole-In-One Club

We will continue our optional Hole-In-One Club in 2016. The \$5.00 participation fee should be paid at the time of registration. The participation fee is to be paid each year. Any Hole-in-One club member, who scores a hole-in-one during any of our weekly events or any of the Men's Club tournaments between March 15th & September 24th, is a winner.

The hole-in-one must be attested by at least one other Men's Club member playing with the Acer. The ace must have occurred on the hole currently being played by the member.

The official scorecard must be turned into the pro shop with the player's names, all signatures and date immediately after the round. Failure to follow these rules will disqualify you from winning the pot!

The Hole-in-One pot will be shared by all Hole-in-One winners during the League Season. The pot will be distributed to the winners at the Final Bash. If no one makes a Hole-in-One during the 2016 Men's Club season, the pot will go into the Men's Club Hole-in-One Fund for next year.

***New this year! The monthly Forbes 2-man tournament is now a Men's Club Sponsored event. This gives us 5 extra opportunities to score that ace. Same rules apply. Must be attested by a Men's Club member. If a Men's Club member is not in your group it will not count.
