Ladies Scramble: Sun July 22nd Two-Man Tournament: Sun Aug 12th Texas Scramble: Sun Sept 30th
Fall Scramble: Sat Oct 6th Ladies Closing Tournament Sun Sept 9th Men's Closing Tournament Sun Sept 23rd

Men's Corner

The men's league had another great season again last year. Bill, John and Donny did a great job in trying some different things and I think on the whole it was a success. We said goodbye to Bill Cullen and understand how hard it is to work the Mill and our league so now he can focus on just golfing here. Don will step down from running the men's league but will continue to focus all his efforts on the mixed league, which has doubled over the year. Thanks to both for your time and hard work and welcome Ted Lessels and Lee Randal who will be filling their spots. The year-end tournament was a beautiful day, almost summer-like! Congratulations go out to Rick Thorne, Dave Ross, Brad Buck and Ken McDonald, your 2017 Men's League winners. Come out to the open house March 24th or 25th or first men's nite April 25th and see what they have planned. We are looking forward to another great men's league season.

OUR WINNERS!

CONGRATULATIONS to all!

Ladies Corner

2017 will go down as the year we had TOO MUCH rain! The rain seemed to come just as everyone was thinking about coming out and then it would clear up after plans had been cancelled. Best strategy was to just come out as you never knew what it was doing here. We are in our own little weather bubble. That being said, all the ladies were able to get their games in for the closing tournament. Congratulations to Mary Jaynes, Dorothy Longyear, Sheri Russell and Vickie Clarey, winners for 2017. Well done. Thanks also to all who played and helped make it another great day. Special thanks to Mary and Shelley for all their organizational skills and keeping the league fun for all. Back again will be Taco Tequila nite! Watch for the date!

COURSE OPENING the first sign of spring!

Cathy Hill-Sr Low Net Club Champ
Gerry Walker-Sr Low Net Club Champ
Bruce Black-Super Sr Low Net Club Champion
Aiden Tedford - Jr Low Net Champ

SPRING 2018

Ash Brook Golf Club

Welcome Back

Another season is about to begin and like every other winter, we can't wait! After a late start, due to the rain and a very wet spring, it seemed like summer was already over before it arrived. We had over 34" of rain last season, most of which was from April 9 - July 18. This was more difficult to handle due to the dry and compact soil from the drought and the Enbridge dig in 2016. I think it all puddled on #1 and #9 fairways! We had 14.8" of rain in 2016 and the average rainfall from 2002 - 2015 is 21.5". There is something to be said about a drought season. At least you can get out and play. All in all, Darryl did a fantastic job in finding areas to board off and rope so we could finally get carts and golfers out. His team kept the course in great shape despite all the water. By the end of season the course was in fantastic shape. Thanks to all for your patience.

We are fortunate to have all of our full time grounds guys back this year and depending on the job prospects maybe even the students. Darryl and his guys will do their best to keep everything running smoothly. We will have a few changes in the kitchen staff but you will still recognise some familiar faces. We had a few new faces on our marshal team under the great direction of Wayne. A few leave, a few come, we are always looking for positive additions to improve our service so that you enjoy your golfing experience. Anyone interested in joining the team can see Paul, Darryl or Patti.

Many have noticed we have a very busy beaver on the course! So busy we can't keep up to his damns or his tree trimming. Hoping to find a solution to this sooner rather than later. Suggestions?

Punchcards and Membership Renewal For 2018

For the first time in many years membership rates for 2018 have increased slightly this season as we adjust to the increased cost of staff, food, supplies and overall operating costs. We have kept all the punch cards the same to save you a little where we can and encourage you to play in the leagues. A lot of members were able to avoid this increase by renewing their membership for this season by the end of October. As well as playing until we close the gates in the fall, it also entitles them to come out and play as soon as we open. Something to think about this October before you put those clubs away for the winter.

NEW FOR 2018

We have a new addition this year! Gone are the old blue, white and green carts, welcome 2017 Club Car Precedent i2 EFI Gas Carts! Much better on gas, quicker start and a quieter ride. All have info holders for tournaments and front windshields to protect from the wind and rain. Enjoy your new ride!

OPEN HOUSE MARCH 24th & 25th, 2018 9AM - 4PM

It is hard to believe we could be golfing in as little as a month. Come on out to our open house and pick up your punch card for league play. We will have all the info you need to get started, lesson info, memberships and just a chance to come and say hello. Always nice to be ready for an early spring! Representatives from the course and all the leagues will be joining us to answer any of your questions. Come and see some of the other golfers you haven't seen over the winter. Bring a friend! We always welcome new members. Looking forward to seeing you again and having a great season.

CONGRATULATIONS Friday Night League winners!

The Friday night mixed league had a great turn out this year making for lots of fun and some great golf. Donny and Pam did an amazing job keeping track of all the stats, weekly rotations and making sure fun was had by all. The season ended with a great steak banquet, wonderful prize table and lots of laughs. Congratulations to all who played and to those teams who won. It's a great way to spend a Friday night, golfing with friends and making new friends over a drink or dinner. Information will be available at the open house in March should you want to bring anyone interested in how the league works or if you want to sign up early! We anticipate more teams this year and I know this season will be even more fun. Spread the word. You can also contact Donny Leaman at dleaman@cogeco.ca or Paul in the proshop. League starts May 11th.

2017 Junior Camp

This year we had an amazing group of juniors participate in the summer camp. Instructors Rick Jaynes, Ken Stoker and Kim Morris ran the camp each Monday from 10am until 2:30pm. Each week focused on a specific aspect of the game for the morning, followed by lunch and 9 holes of golf. The final class was the club championship. This years winners were Austin Tedford and Aiden Tedford. Thanks to all who came out and made it such a success. We will be offering the camp again this summer so register early, bring a friend and make summer 2018 one to remember.

Happy Easter!

Golf balls for Easter Eggs??
