Dear New Member _____

We write to welcome you on becoming a member of Clyne Golf Club Veteran's Society. Our Society is active throughout the year with a wide range of activities which are listed in the accompanying Directory/Fixtures.

You may note that we have three Annual Dinners; two Away Days; fourteen competitions; and **PAIRS\SINGLES** knock out cups ; Open day singles and 4BBB competitions.

We also play throughout the Summer / Autumn period, home and away matches against thirteen of the best clubs in South Wales. These Matches consist of teams of sixteen in the 4BBB format, and our policy is to select one low and one high handicap player with each pairing. The Teams are selected on availability rather than ability, so you should not be afraid to make yourself available to play in these matches by entering your name on the availability sheets displayed on the Vets notice board for each match, even if you are new to the game.

Members pay £10.00 when playing in these matches which covers an after match meal, and you will find that by playing in the various matches and competitions you will experience an excellent camaraderie and make many new friends within our Society, and with members of the other Clubs.

A good way of getting to know our Society's members is to play in the Winter Competitions organised by the Vets committee. If you wish to know more about the Society or any of our activities please feel free to contact any of the Officers or Committee who are listed in the front of the diary.

Yours sincerely,

Ray Anderson
