Thank you very much for expressing an interest in hosting a golf outing at Camillus Hills Golf Club. With our full service, on-site restaurant and banquet room, we can turn an ordinary day of golf into a truly memorable experience.

Our restaurant is lead by Executive Chef Felicia Rand; it is her mission to bring fresh quality ingredients from local farmers transforming them into traditional dishes from all over the world. I am positive she will make you event extraordinary!

Enjoyed by seasoned golfers as well as beginners for over 50 years, Camillus Hills Golf Club offers a relaxing yet challenging 18 hole golf course just moments from downtown Syracuse, New York.

Camillus Hills Golf Club golf course was designed for both low and high handicap golfers alike. The course layout is reminiscent of the classic vintage designs associated with some of the most famous golf clubs in America and features dramatic elevation changes. In recent years, the course has evolved to accommodate modern day characteristics featuring drivable par 4's and risk reward opportunities. These new features are now seen on the PGA tour today. It is truly a shot makers course.

Yours Truly,

Michael Morschauser, PGA
