At the young age of 2, Rob and Dana Carson's son, Luke, was diagnosed with type 1 diabetes. Every year, they walk to raise money to fund much needed research through JDRF. All proceeds from this golf outing will also go to JDRF. Thank you for helping us fight this important cause and hopefully turn **Type One** into **Type None!**

2<sup>nd</sup> Annual  
 Golf Outing for  
**Diabetes Research**  
 at  
 Wedgwood  
 Country Club

**MAY 20, 2017**
