SPECIAL NOTES:

1. Prize money will be awarded for 1st and 2nd places for most events. For some events, i.e. Nassau, there are already double payouts so only first places will be awarded.
2. In order to be eligible for the weekly prize money, your score must be recorded on the sign-up sheet.
3. Pick up and review a copy of the guidelines for the weekly event.
4. Pick up pre-marked scores cards in the clubhouse for 'Rotation' and '1-2-3 w/Handicap' events. This is for consistency scoring.
5. In consideration of all golfers, keep up with the group in front of you. Fix divots, rake traps and repair ball marks.
6. Play the ball as it lies: no fluffing and/or no 'foot wedges', etc.
7. Play with the group you are assigned to on committee pick events. Do not change groups. If someone is absent from your group, a replacement is made after the round by **randomly** drawing a scorecard and using a player's score with appropriate handicap to fill the void. Write **BLIND** for that name. The team is responsible to make its own adjustment.
8. Tee off at 8:00 a.m. as a horn will not sound.
9. Walkers sign up for holes closest to the clubhouse and riders sign up for holes furthest from the clubhouse.
10. Hitting from the red tees throughout the year is an option. If utilizing this alternative, use the 'Red Tees' when recording scores in GHIN.
