

Quail Dunes Golf Course Newsletter

Pro Shop News: Current Pro Shop Hours are 8:00am to 7:00pm and the first T-time is 8:30am. We are in the process in hiring additional part time and seasonal staff and look forward to having a great crew again this year.

Maintenance: Spring aerification will be performed on April 23rd and 24th, nine holes will be closed each day while we perform a solid tine and top dressing procedure. We will broom and water throughout the day and anticipate the greens being completely healed in 2-3 weeks.

2018 Capital: We recently acquired a new Toro Tri Plex unit that will become our main greens mower. The unit it has replace will now be used for tee's and surrounds. We will also be going out to bid for a new heavy duty work cart .

Shelters: In 2017 we were able to purchase two new shelters and with the help of the parks crew are in the process of installing them now. The new shelter and slab on hole 16 was completed over the winter months and we hope to finish the shelter on 6 tee box soon.

Up Coming Events:
