

## **Mules National School of Golf**

### **What**

The Mules National School of Golf is a program focused on accelerating the progress of golfers of any skill level 18 and under who are interested in improving their golf skills. This program provides an individualized instruction plan in a fun and interactive group setting.

Participants will be “screened” for any swing movement setbacks by a Titleist Performance Institute Certified Instructor and will be given a full personalized plan to improve upon anything needed in the body movement.

Students will also gain valuable knowledge on things such as course management, trouble shots, and the mechanics of the full swing, pitch, chip, and putt.

Video instruction will be utilized at the student’s desire.

### **When**

Year round lesson program on Saturday’s from 10am-11:15am (another class will be opened depending on how many sign up)

### **Where**

Participants will check in at the pro-shop and classes will meet on the driving range at 10am.

### **Price**

\$100 for 5 group lessons (\$200 value). After 5 sessions, you may choose to re-sign up!  
Participants may sign up as many times as they like.

You may sign up for a year at a discounted rate of \$800.00

## **What is the Titleist Performance Institute?**

The Titleist Performance Institute is an organization with the singular focus for improving an individual's performance on the golf course through the improvement of the body and swing.

## **How does it help me?**

By going through a quick 15 minute body screen and golf swing evaluation, an individualized program is developed specifically for you. Programs can consist of mobility, stability, balance and strength improvements depending on what your needs are.

We are all athletes from juniors to seniors alike. Every age group can benefit from a specialized program.

## **TPI Testimonials**

*"The Titleist Performance Institute changed the way I swing the golf club. I was always someone with limited mobility and unable to get the club in the correct positions but after using the plan specifically designed for me, I've never hit it better." – Derek Seid, 23*

*"The full body screen helped me recognize imbalances in my golf swing I hadn't have otherwise known. Working to balance my body out helped my golf swing become more consistent and powerful." Rob King, 44*
