Loyal Reid Golfers,

I want to take this opportunity to extend a very big "THANK YOU" for your patronage this season and being loyal to Reid Golf Course. I know Mother Nature tried to ruin some of our fun and trees, thanks to the Tornado, but we did our best to overcome and make this a great year. I really enjoyed serving your needs and would appreciate any feedback on your 2017 experiences. Please email me at jeff.plasschaert@appleton.org.

The 2017 season could not have been a success without our great staff. I really enjoyed hearing comments from some of you regarding your interactions with the staff this season, they are usually having just as much fun as you!

The pro shop will be open for all of your holiday shopping needs starting Friday and Saturday, November 24th and 25th. Check out www.reidgolfcourse.org for more information on hours and specials.

Hopefully winter will go by quick and allow for another prolonged golf season. I look forward to seeing you in 2018!

Think Spring,

Jeff Plasschaert
Golf Course Superintendent
