## Let Cobblestone Park Take Care of Your Lawn

With spring just around the corner, we wanted to remind you that we are proud to offer our residents in Cobblestone Park landscape and lawn maintenance. We have a great program similar to the golf course that many of your neighbors take part in that includes mowing, edging, weed eating and blowing every week. A spring and fall pre-emergent fertilizer and three prunings a year all for a very reasonable price. We can also put out fresh pine straw, seasonal flowers and perform irrigation repair for an additional charge.

Love at the Club!

Let us help you to have one of the better landscapes in the neighborhood. If you are interested in our services and would like to talk to us more, please give either one of us a call or send us an email.

## VALENTINE SWEETHEART CANDLELIGHT DINNER

On Tuesday, February 14, Cobblestone Park hosted its annual Valentine's Day Dinner. It was a beautiful candlelit evening with palate pleasing 5-course meal. We would like to thank everyone who celebrated their significant other with us! We also received wonderful feedback from one of our residents, Brenda Gross:

*"The Valentine dinner was the most enjoyable evening that I have had at the club so far. We were greeted by name and taken to a beautifully decorated table. The live music was a really nice touch. Our dinner was fabulous. All of the steaks at our table of six were cooked perfectly and I ordered the duck. The duck was one of the best that I have ever eaten. The dessert was divine and gorgeous. Our service was perfect. Our table was taken care of from the moment we sat down. It was great to see everyone working together so efficiently. Kudos to Tony last name? for scanning every table all night and making sure that we had everything we needed. Thanks to the management, chef and kitchen, and servers for making our Valentine's Day so special. Keep up the great work!"*  
—Brenda Gross

Thank you Brenda! We look forward to seeing everyone at the club again soon!
