Don't Forget

In order to protect those of you who regularly play and fund prize pools, you must play in at least three (3) of the 1 day Saturday events to qualify for the year end championship. Since money is set aside for this event from every 1 day Saturday event to help fund the Championship, we think this is only fair.

Please Help!

We have over 230 Bay Forest Handicap Association members. I only have 114 email addresses. If you know of any member that is not receiving tournament notices, the Bay Forest Buzz, or any other announcement from us, please tell them to forward their addresses to us. We will be trying to update all of your contact information at the start of this new season, so if you have any changes let us know.
