## New on the Course

Coach Natalie will be attending the Life Skills and Leadership Academy for The First Tee this July at Michigan State! Every year 24 coaches and 95 juniors from across the country are chosen to attend this event. What is the Life Skills and Leadership Academy? It provides opportunities to develop and hone skills to become leaders in their chapters, schools, and communities while experiencing championship golf, career exploration, and dorm living.

## Playing the Green: Hole #2

At 195 yards, the hole almost always plays longer due to the predominant wind known as the "Delta Breeze". The green slopes from right to left, so the preferred route into this green is a fade for the right handed golfer. Par is always a good score on this hole.

### Meet the Mentors: Kathy Roberts

Mentoring gives me the opportunity to introduce others to the game that gives me so much joy

over the years. Golf is a game that can be played by anyone at any level, and at any age. It takes us outdoors and ignites our emotions. It creates life-long friendships, is family friendly and socially uplifting. Golf is FUN!

I have been golfing for over 25 years, all around the world. My husband and grandchildren playing in tournaments with me. We play for the sheer enjoyment of the game, win or lose. Golf is my healthy addiction. So come join us on the course for fun learning and build friendships with a wonderful group of ladies.
