New on the Course

Coach Natalie will be taking a group of juniors ages 7 to 13 from The First Tee to watch the PURE Insurance Championship at Pebble Beach September 29th. Five participants from the Sacramento Chapter will be playing in this event. Our group will be spectating to cheer these players on to show one of The Nine Core Values: Sportsmanship. These juniors will also be attending the STEM sponsored by Chevron. For those unfamiliar with STEM, it is a curriculum based on the idea of educating students in four specific disciplines — science, technology, engineering and mathematics — in an interdisciplinary and applied approach.

Introducing the release date of the new Cleveland RTX 4 wedges on September 14.

These wedges will have sharper, deeper grooves to slice through the grass, sand, and water for more consistent spin on every shot. Longer-Lasting laser milling brings face roughness right to the conforming limit for more friction and more spin on all shots. The centered Rotex Face milling that's in-line with your strike patten increases backspin on all full, pitch, and chip shots.
